

August 27, 2015

Due to a third party source issue supporting Pearson product data centers, you may be experiencing an inability to login to Pearson EasyBridge Plus from PowerSchool. The following steps walk you through logging directly into your Pearson learning platforms so you can continue to work.

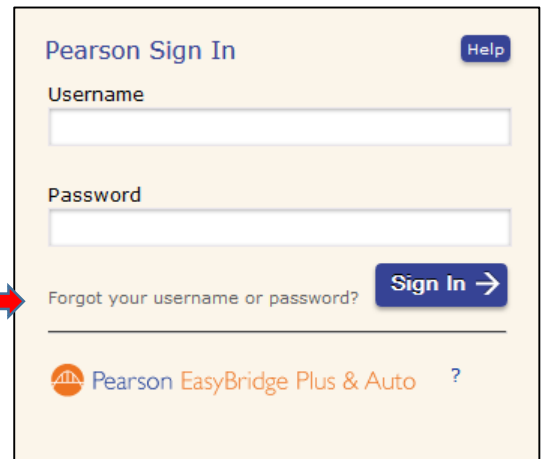

We sincerely apologize for any inconveniences you have already experienced.

Pearson EasyBridge Team

Steps to Retrieve Your Backup Credentials

If you do not know your backup Pearson credentials, follow the steps below to retrieve:

1. Go to <http://pearsoneasybridge.com/>.
2. Click *Sign in*.
3. Select *Teacher or Student sign in*.
4. Click the *Forgot your username or password?* link.
5. Enter your email address. You will receive an email with your username and instructions to change your password.

Steps to Sign in Directly to Pearson Learning Platforms

To login directly to your EasyBridge integrated Pearson learning platforms, including EasyBridge, follow the steps below:

1. Go to <http://pearsoneasybridge.com/>.
2. Click *Sign in*.
3. Select *Teacher or Student sign in*.
4. Enter your username and password you received through your email.
